

YOUR PERSONAL INVITATION

September 2009

Dear Citizens of Philadelphia,

You are invited to our first CommUNITY Love Gathering for Education. This event is bringing people together, to develop awareness of new plans for a better Education, a better Community and a better Future for Philadelphians. The Gathering is built around a forum of panelists that are dedicated to providing real solutions: Dr. Arlene Ackerman (Superintendent of Philadelphia Public Schools), Cristine Wiggins(CEO of Imhotep), Dr Lori Shorr (Mayor's Chief Education Officer), Umar Johnson (Psychologist, Activist), Seth Williams (DA Democratic Nominee), Dr. Charles Williams (Director of Youth Violence Prevention at Drexel University), El Ha Gahn (Healer, Herbalist), Vanessa Brown (State Representative), and other local Leaders. Please join us as we embark on this journey of change. Come because yoU Matter; come because yoU Care; come because WE need your Voice to make the CHANGE. Please make a commitment in your heart to be there, because change comes from active participation. Your Voice is the Change needed by Philadelphia and the World.
